# ADVICE TO FUTURE PLAYERS:

Enjoy playing with your boys while you can, it'll be over before you know it. And be an athlete.

- Jacob Derby

Don't eat before conditioning.  
- Mitchell Greer

Push yourself harder in practice than you would in a game. Trust me, the coaches notice.

- Ryan Sanza

Go to the weight room.  
- Will Czora

Work hard. Hit the weights.  
Enjoy every second.  
- Hayden Price

Always work hard, be determined with what you set your mind to. Never give up.

- Colt Green:

Work hard.  
Don't get COVID.  
- Henry Baumer

Do your job. Get in the weight room.  
- Preston Huff

Don't let Russ make fun of you, give something back to him.  
- Mason Wanzneried

Do not annoy Coach Wise.  
- Nolan Yates

Don't quit and always dedicate yourself.  
- Jaden Kuhn

Have fun each day, because it's over before you know it. Also, don't get put on the news because your mom will be scared of cable.

- Reece Joint

It'll be over before you know it,  
so enjoy it while you can.

- Matt Shutes

Workout during the off season.

-Justin Lewis

Don't skip leg day.

- Patrick Lustyk

Integrity, resilience, and determination are key.

Also, get in the weight room!

- Andrew Childs

It's going to end sooner or later,  
make the most out of it.

-Sam Miller

Invest in the weight room all year round,  
you should never stop trying to make yourself better.

- Michael Sanza

You don't need to be the strongest player, or the most skilled athlete to be able to contribute to the team. It's not a single player that wins games, it's a family. I would also like to thank the coaches for all the constant support throughout the season. Being able to get on the field and support the team would not have been possible without their help.

- Jack Graney
